All times based on NEW batteries. Each airline has there own rules about flying with portable oxygen concentrators *Solo2 (.5 lpm = 4.5 hrs), *Independence (.5 lpm = 2.4 hrs) *SimplyGo (.5 lpm = 3.1 hrs), *Eclipse (.5 lpm = 4.4 hrs) A doctors prescription is required for all portable oxygen concentrators. Each airline has there own specific Physician Statement to be completed, doctor signed, and carried with you on the plane. Talk to your doctor about Pulse or On-Demand Delivery of Oxygen. Advanced Aeromedical is On-Call 24 hrs for support. Rentals / Sales / Support 1-800-346-3556 info@aeromedical.com
